

MIGRATION REGULATIONS 2022

MIGRATION REGULATIONS 2022

1. SHORT TITLE AND COMMENCEMENT

1.1. These regulations shall be called the University of Education, Lahore Migration Regulations 2022 for degree programs.

2. MIGRATION REGULATIONS

2.1. Migration will be allowed by the Vice Chancellor on the recommendations of the Directors/Principals of both the concerned divisions/campuses/affiliated colleges after receiving the duly filled migration form along with the requisite fee (Non-refundable).

2.2. Migration will not be allowed during first and last semesters.

2.3. Migration will not be allowed in the same district.

2.4. Migration will be allowed from one UE division/campus to other UE division/campus or one UE affiliated college to other UE affiliated college. No migration shall be allowed from UE affiliated college to UE division/campus and vice versa.

2.5. No student will be allowed migration to the other division/campus/affiliated college if his/her admission merit falls below the admission merit of the division/campus/affiliated college where migration is sought.

2.6. Migration will not be allowed from evening to morning shift even-if the student falls in the merit of morning shift; however, migration shall be allowed from morning to evening shift subject to following conditions:

2.6.1. The student falls in the merit of evening shift.

2.6.2. The student will have to deposit difference of dues of the ongoing semester (i.e. Evening fee – Morning Fee).

2.6.3. The student will have to deposit the evening dues in the subsequent semesters.

2.7. Migration will be allowed, if applied within the deadline of the enrollment; therefore, migration request should be submitted to Registrar Office well in advance.

2.8. If the migration is allowed, the student will be required to deposit all the applicable dues and submit the course-wise attendance certificate from the concerned division/campus/affiliated college for the duration before the notification of migration.

2.9. A detailed statement, listing the courses accepted as transferred and those to be studied in order to complete the degree, will be prepared by the concerned Director/Principal where the migration is sought and shall be accepted by the student.

2.10. Under special circumstances to be proven with evidence, the Vice Chancellor may reduce/waive-off the Migration Fee.
